Dear Sir,

This is to confirm that on 3 October 2007 we received the application form n° 0711401 declaring the supply and importation activities relating to the following cryptographic devices:

- GuardianEdge Anywhere Data Protection Platform
- GuardianEdge Hard Disk Encryption
- GuardianEdge Removable Storage Encryption

In accordance with article 5 paragraph 3 of decree n° 2007-663 of 2 May 2007, I hereby confirm that you have fulfilled the obligation to duly declare the aforementioned activities. I therefore inform you that you can start the supply, importation and transfer of the mentioned cryptographic devices to or from an EU Member State.

Please note that the one year deadline provided under article 7 of the decree starts running from 30 October 2007.

The present certificate does not at all constitute an indication of the quality of the cryptographic devices or a recommendation from the information systems security department.

Yours faithfully,

Signed by the director of information systems security department

Michel Benedittini
